

Dear clients, friends, and community members,

The Breton Group remains **HERE TO HELP NONPROFITS!**

In the midst of the COVID-19 pandemic, we recognize many of your programs and services are needed now more than ever. We also recognize that you may be currently feeling or anxiously anticipating the economic impact of the pandemic on your organization.

Please know that our team is **HERE** to help! During our most recent staff meeting, we discussed how we might be most helpful. We decided that our individual and collective **experience** in the nonprofit environment is our greatest commodity~***we would love to share this with you and invite you to have a conversation with us.***

Are you wondering the best approach with donors? Is there a project you are considering starting and unsure how, or if, to begin? Have you recently started a campaign and are wondering how to move forward?

We invite you to call or email our president and founder, Mark Morrow, at 616-588-2161 or mmorrow@bretongroup.com. Mark will be happy to set up a video conference conversation to further explore your questions and **help you to develop a plan for moving forward.**

Our interest is simply to do our part to help our nonprofit organizations and community navigate these uncharted waters. We look forward to hearing from you!
